

Kindergarten presents request to District 3

The St. Albert School District No. 3 held its regular meeting on Monday, April 1, 1974.

A delegation from the St. Albert Parish Kindergarten were present at the meeting. The purpose of their appearance was to present an application for the Board to enter into a contract with the kindergarten, whereby the kindergarten becomes part of the school system under its Early Childhood Education Program. The contract covers many aspects including financial agreements, staff/child ratio, class numbers, transportation etc. and it has provision for the kindergarten to obtain its identity. The contract was not signed at this meeting due to the time factor and it will be brought forward to the next meeting.

Trustee Steve Sieben reported that members from both school districts (District No. 3 and District No. 6) and personnel from the high schools are co-operating on a Student Exchange Program with schools in New Brunswick. Three school systems in New Brunswick are interested in an exchange with St. Albert and the local group have now narrowed that down to two areas in New Brunswick. Grade 11 students, 12 from St. Albert High and 12 from Paul Kane will be involved with the future planning of the program.

It was announced that the proposed Community Core School plans have been approved by the School Building Branch. The approval is for the core unit of the school only and a further

application for the building of the portables will be made at a later date.

A large part of the evening was set aside to discuss matters relating to the religious education program in the schools.

Public meeting discusses school plans - kindergarten

Approximately 36 interested parents attended the public meeting held by the St. Albert Protestant Separate School District No. 6 in connection with the proposed Lacombe Park Community Core School.

Mr. Don Munro chaired the meeting and plans of the building were revealed and the concept of the community core school was explained. The school will be built on the school site at Langley Avenue and Leon Place and it will essentially comprise 16 rooms, eight of which will be part of the core building and the remaining eight will be plug-in type classrooms. Parental reaction to the proposed school could not be easily determined and no vote was taken. The feasibility of a lunch room-kitchen facility was covered at the same time and the idea seemed generally well received.

Discussion turned readily to the Early Childhood Education facility and Mrs. Muriel Martin, assistant superintendent, was asked to speak on this subject. Mrs. Martin recently made a proposal to the Board of Trustees urging the District to operate

a one-room kindergarten this coming fall. The proposal had not been accepted, partly on the grounds that parental involvement might be lost if the District undertook such a project.

Mrs. Martin stressed that she favors parental involvement in the program and more freedom is allowed in a program where both parents and teachers co-operate. She would, however, like to see a kindergarten program within the school system as it has many benefits, one

example of which would be the use of older students to help the younger child.

Earlier reservations held by the Board over District involvement in the 4 1/2 to 5 1/2 age group modified somewhat. Mr. Bill Webber felt that an Early Childhood Education Program under the direction of Mrs. Martin would be flexible rather than formal and having a person of Mrs. Martin's calibre would lessen his concern as to the rigidity of board-controlled kindergartens.

Quality of drama improving says festival adjudicator

Jack McCreath, adjudicator from the provincial Cultural Division, was pleased with the quality of student drama developing in Zone Two East, and with the growth of interest in Junior and high school dramas demonstrated by the Festival hosted by St. Albert over the weekend. The festival has grown from just a few entries to two sections and now to three sessions for

Junior and three for senior plays this year. He recalled adjudicating a drama festival in St. Albert 15 years ago.

In the main the young actors played to good size audiences Friday and Saturday and the drama co-ordinators for the festival, Marie Sklarz of St. Albert High and Sheila Jensen of Sir George Simpson Junior High were delighted with the large ticket sales, which enabled them to meet all festival expenses.

Mr. McCreath was generous with time devoted to private adjudication of each production and its players, and of public adjudication.

Only one award was presented in this Junior High School Festival, and this was for "The Best Play" which was won by the Sir George Simpson Junior High School, St. Albert.

The play was entitled "The Hobbit" and it was directed by Sheila Jensen, drama teacher at Simpson School. It was selected on the basis of best teamwork, improvisation, lighting and quality of presentation.

Five awards were presented in the Senior High School Festival. BEST PLAY AWARD went to St. Albert High School for "Once Upon a Playground" directed by

Ethel Cuts with the beautiful plaque which accompanied the Distinguished Service citation presented to her by the Health and Physical Education Council of the Alberta Teachers Association on April 7 at the annual Council Conference in Lethbridge.

Ethel Cuts honoured

Marie Sklarz, drama teacher at St. Albert High. This play showed the best example of teamwork within a play, and was a dynamic and smooth presentation, said the adjudicator.

Best Actor Award was awarded to Joe Mageau in The Call, a play presented by Bonnyville Centralized High School, under the direction of Brian Millar, drama teacher.

Best Actress Award went to Barbara Armstrong in 27 Wagons Full of Cotton presented by Edwin Parr High School in Athabasca, and directed by Charles Parker, drama teacher.

Best Supporting Actor was Joe Stychn in 27 Wagons Full of Cotton.

Lorraine Cook was named Best Supporting Actress for her role in Once Upon a Playground by St. Albert High School.

Janice Moffat was given Honorable Mention for her work in the role of Ma, in "Happy Journey." This was the only play in the festival not presented by a drama class. It was done by the Paul Kane Drama Club, under the direction of Dave Geddes.

Mr. McCreath felt there was a lot of talent demonstrated and some good in-

Continued on page 2.

Mrs. Ethel Cuts of 6 Green Grove Drive, was honored at the annual conference of the Health and Physical Education Council of the ATA, held this year in Lethbridge. Mrs. Cuts and Mr. Don Williams were the first recipients of Distinguished Service Awards in a program set up by the Council to honor people for many years of service.

Ethel retired last August as assistant supervisor of physical education in Edmonton Public Schools - but continues to take interest in health and physical education in the province. She is co-editor of the Council Bulletin.

Last Friday Mrs. Cuts and her mother, widow of the late Dr. J. W. Barnett, the founding general secretary of the ATA, and her daughter Elaine, motored to Lethbridge to attend the three-day conference program. To her pleasant surprise she was presented with the award. The citation which accompanies it reads "Health and Physical Education Council, The Alberta Teachers Association, Distinguished Service Award, presented to Ethel Cuts for distinguished service to physical education in Alberta, April 7, 1974.

Cast of the winning play in the Senior Division of the zone drama festival in a scene from Once Upon a Playground presented Saturday evening at St. Albert High. The play was directed by Marie Sklarz, drama teacher at St. Albert High School.

Drama

Continued from page 1.

dividual acting at the senior high level, but that the junior work was also encouraging. He thought the high school material was good and recommended more care in picking scripts for junior work. Material is most successful, he said, when a good theme is chosen and then the teacher and the students improvise and adapt it for a suitable presentation. Once Upon a Playground was an example of co-operative effort and improvisation, said the adjudicator.

Art Burgess, left, Kit McKnight, National Class hurdler and Gord Bertie, silver medalist runner, during their regular lunch hour 'keep fit' run. All are members of the Commonwealth Sports Group working out of the Percy Page Centre.

Air cadets of 533 squadron qualify for coveted awards

533 Air Cadet Squadron of St. Albert has yet another achievement to its credit. The recently announced results of the Provincial Selection Board, held in Penhold, revealed that this unit has attained a better than 80 per cent success rate in competition with the other 43 squadrons in Alberta for summer courses or activities.

Of the 10 cadets who passed the local selection board eight have already been confirmed, and one selected as

an alternate, with better than average chance of confirmation before course commencement.

The most coveted of these awards is the exchange visit which normally means a tour of European units and the successful St. Albert cadet is Flight Sergeant G. Howie.

Other members of the squadron achieving these difficult to attain positions are Sergeant G. Tomash for Senior Leaders course, Corporal D. Skovberg for Ground Search and Survival Train-

ing, Sergeant G. Armstrong for the Athletic Leadership course, Corporal N. Cady for Technical Training, Sergeant G. Bondarevich for Flying Training Scholarship Leading Aircraftman B. Bilon and Sergeant R. Brunelle both to attend the Gliding Scholarship course, Sergeant R. Gagnier is the hopeful alternate waiting to share in a Flying Scholarship.

These awards in special training do not preclude the rest of the squadron members from summer activities because most are eligible to attend summer camp at CFB Penhold or Camp Wright for short periods of training.

Eat and run to keep fit

Four fellows from the Commonwealth Sports group at the Percy Page Centre keep in shape by regularly running stints during their lunch hour. Their red sweat suits and the speed at which they travel causes motorists and pedestrians in Mission Park area some curiosity. Kit Knight, National Class Hurdler for Canada, is a superb runner, and Gord Bertie is a Canadian silver medalist. Art Burgess, who has been keeping in shape for 20 years by regular running, and Peter McCaffery who is getting in shape for cycling,

make up the foursome.

For those motorists that get their kicks out of deliberating drenching them of late, the runners suggest they join them in the keep fit program.

There is another young man who can regularly be seen running a top speed on Highway 2 north to the weigh scales and farther. He was observed by motorists even in 20 below weather, and also exercises in this way on a regular basis. So far we haven't been able to find out who this runner is, but he appears to be about 16 or 17 years old.

Town of St. Albert Public Notice

MOSQUITO CONTROL

The Town of St. Albert proposes to effect a mosquito control program in 1974 covering portions of the Town of St. Albert and the M.D. of Sturgeon within the boundaries shown on the map. This is an expanded program made possible by Provincial grants.

The amounts and kinds of chemicals to be applied will not be toxic to livestock, birds or fish. Most of the application outside of the built-up section will be done by helicopter. The Town will be responsible for ground surveying to determine mosquito breeding sites, and will seek permission to enter private lands for purposes of mapping and treating.

Farmers not wishing to have mosquito control on their lands should so state in writing not later than April 15, 1974. Please supply legal description as well as mailing address of property referred to. Letters should be addressed to: TOWN OF ST. ALBERT, PARKS & RECREATION - MOSQUITO CONTROL, CIVIC CENTRE, CHURCHILL AND GRANDIN, T8N - 0G2

Dwayne Waye, of the St. Albert Gazette, won the Media "Duel of Steel" knife-throwing contest Sunday at the Edmonton Boat, Trailer and Sport Show, defeating Jim Elliott, CFRN-AM, and George Kelso, CFRM-FM, in a tense tie-breaking throw-off. The trio had finished with 12 of a possible 15 points in the regular round, forcing the extra throws. Waye collected \$75 and a trophy for his efforts. The contest, open to Edmonton and district radio, television and newspaper personalities, attracted a record 30 entries. The contestants threw 16 inch stainless steel knives at a "Jolly Roger" target and points were awarded according to where the knives landed. The Sixth Annual Boat and Trailer Show again attracted more than 96,000 persons in its five-day stand at the Exhibition Grounds despite the miserable weather on Saturday.

SLAM walkers will carry Cross

Movers are holding a Share Lent April March on Good Friday, open to all teens and adults who are

interested in taking part. Slam is a project of St. Albert High School for Share-Lent. It is a walk to Villeneuve then back to St. Albert - a total distance of 20 miles. The march is preceded by a Good Friday celebration at 3 p.m. in the Roman Catholic Church. Walkers will leave the church at 4:30 p.m.

A 150 pound cross will be carried from Villeneuve to St. Albert. A light lunch is being donated to the walkers at Villeneuve by the St. Albert Movers. All walkers should come prepared for the weather conditions.

Anyone still planning to participate in this walk may get sponsor tickets from Neil Wenger - phone 459-3645 or from the St. Albert Parish phone 459-6691.

Proceeds of Share Lent projects go to unfortunate peoples of the Third World.

Elsie Snider heads Lady Lions

The April meeting of the St. Albert Lady Lions was a supper meeting held at the St. Albert Inn on Monday evening.

Elections were the main item on the agenda - results were as follows: President - Elsie Snider; 1st vice-president - Marilyn Garlepy; 2nd vice-president - Judy Simpson; 3rd vice-president - Sadie Ross; secretary, Gerda Jorgensen; treasurer, Claire Stephenson. Following elections Mr. Harry Gaffney gave a very interesting and informative talk on "Laws As They Concern Women."

The next executive meeting will be held at Betty Thronson's on April 22 at 7:30 p.m.

The May meeting will be on May 13 - place will be announced later.

LETTER

Tournament praised

The Editor:

I would like to congratulate the Kinsmen Hockey Association and the organizers of the "Big Iron" Midget Hockey Tournament held last weekend in St. Albert.

I have been associated with hockey in St. Albert for six years and it was a rare treat to see such a fine display of enthusiasm, fortitude, and above all pure sportsmanship displayed on the part of both players and coaches.

Hopefully many or all of the coaches from the smaller and especially older players groups were there to witness a display of determined ho-

key. It proved that you do not have to run at, slash, knee or trip or intimidate opposing players to win a game.

I was, however, slightly disappointed at some of the small crowds that were in attendance. Surely, not all or even half the players' parents attended this tournament.

It is my hope that anyone in attendance learned from the experience and that we can organize such competitions for all leagues within the association.

Mel Wakefield,
Mission Park.

NOMINATIONS ARE INVITED

from Alberta citizens for two places on the

Committee on the Articulation of High School and Post-Secondary Educational Institutions

Persons selected for this committee may hold office for a period of two years and the appointment may be renewed.

Duties of the committee are as follows:

- The committee shall be advisory to the Minister of Education and the Minister of Advanced Education.
- The committee shall concern itself with problems related to the standards for admission from Alberta high schools to provincial post-secondary educational institutions.
- The committee shall concern itself with provincial high school accreditation procedures.
- The committee shall have the authority to enact such bylaws as are necessary for the conduct of its business.

Organizations or individuals wishing to nominate a person to a place on this committee should send the name of the individual and supporting information to:

Dr. J. S. Hrab, Associate Deputy Minister, Alberta Education, 9th Floor, Executive Building, 10105 - 109 Street, EDMONTON, Alberta before April 30.

Alberta
ADVANCED EDUCATION

Participation in planning & development

The Town of St. Albert has indicated that it intends to hold a public meeting on Monday, April 29, 1974. This decision was made partly in response to the St. Albert Planning Committee's query regarding the council's decision not to hold an annual meeting this year and partially due to council's desire to re-open the sequence of events surrounding the Syncrude issue which was resolved two weeks ago. The council has instructed the town's civil service to provide the background information for a "Syncrude" fact sheet which the council intends to prepare as a group and then circulate to all of the residents prior to the meeting. This procedure is being followed in spite of the fact that the Planning Committee has been informed that no written correspondence exists between the Town and Syncrude.

The Planning Committee regrets the "political game plan" that council is seemingly prepared to follow. One of the primary purposes of the committee is to interject some modicum of citizen participation into the planning and development process carried out under the aegis of the council. The Town of St. Albert does not have a General Plan nor has the hard working town staff been given sufficient time to formulate one. The council should welcome citizens interest and input under these circumstances.

As matters presently stand all of the new developments carried out in St. Albert must be implemented on the basis of piece-meal planning. The overall guidance offered by a general plan is missing. It is suggested that a legitimate planning group composed of a cross-section of St. Albert's citizens should not be presented or told "to run for office" if they disagree with the short-run planning viewpoints held by the majority of the council.

In the final analysis residents in the town must pay for the developments that are approved by the council. It is not unreasonable for the taxpayers to request detailed information or evidence concerning their inability to articulate concerns or opinions before the final council decision is formulated. (Opposition at a public hearing is not a surrogate for the type of co-operation between council and citizens which should characterize the planning and development process in this community.)

The Planning Committee has asked council to consider the establishment of a liaison between the two bodies which would maximize the net benefits that can be obtained from involving citizens in the planned development of St. Albert. The decision rests with the council as to whether or not the residents' opinions are to count.

In closing it should be

noted that there are two major developments which require immediate citizen input! (1) the establishment of the downtown civic centre; and (2) the selection of the development proposal for the major shopping centre which will serve consumers in the area for some years into the future. It is suggested that the view that the April 29 meeting should be used to resolve the "rights and wrongs" surrounding the Syncrude project should be dropped in favor of outlining the way citizen participation can be utilized in enhancing the decision making process

in the Town.

Dr. R. H. M. Plain,
President,
St. Albert Community
Planning Committee.

Newcomers hear talk on Block Parents

The Welcome Wagon Newcomers have supported the Sturgeon General Hospital annually since it was built and at their April 2nd meeting President Donna MacMartin presented a cheque in the amount of \$750 to Administrator Cliff Keyes. The hospital will use the funds for an ultra sonic nebuliser and operating equipment. Director of Nursing, Pauline Fleck was also a guest of the Newcomers that evening.

Approximately 130 ladies were present at the Welcome Wagon Newcomers Club regular monthly meeting held on Tuesday, April 2 at the Community Hall.

Constable Rick Maynard, RCMP, resplendent in his dress uniform, spoke to the meeting on the forthcoming proposal for a Block Parents Program.

The Block Parent Plan has been operating successfully in Edmonton for quite a period of time now. The program is designed to have several homes in a block displaying a Block Parent sign. The sign, in red and white, shows a child holding the hand of an adult and would be easily recognizable to a child in distress.

Const. Maynard stressed that the child molester is not a problem in St. Albert at this time and that the program would serve as a deterrent for child molesting, harassment, bullying etc. He felt it would also have several beneficial side effects such as fewer stolen cars and less break-ins in areas

where the would-be culprit is aware that block parents are active.

Local school boards and elementary schools have agreed to assist with the program and explanatory letters will be sent home from school with the children. Parents will be asked to educate their children to use block parents in an emergency only. The program is not to be used as the neighborhood nursery. Children should be taught to take the same route to and from school every day and to memorize where the block parent homes are located.

Constable Maynard then asked if there were any questions.

A questioner wanted to know whether he was for or against showing the film "Child Molester" to children.

He replied that he was against showing the film to children because it showed extreme cases. He felt that the intent should be to caution children, not to frighten them.

Constable Maynard reiterated to the group that this plan is very effective in Edmonton and that the Edmonton City Police receive about 30 complaints a day. This led to the question... how many complaints in St. Albert?

Const. Maynard reported that there had been one actual child molesting in the past year and four cases of harassment. He emphasized the point that reported cases represent only a very small proportion of the cases which have actually taken place.

The Block Parents Plan should get underway in St. Albert within two weeks. People interested in becoming block parents may contact the RCMP office in St. Albert.

Constable Maynard is hopeful that at least 1,000 volunteers will come forward and instruction session will be held for them. An instruction booklet is also being prepared on how the program operates. Area committees will be set up as the program expands to cover all sections of St. Albert.

Parents interested in assisting with the Block Parent program should telephone Constable Maynard at 459-7721, or at 459-5877,

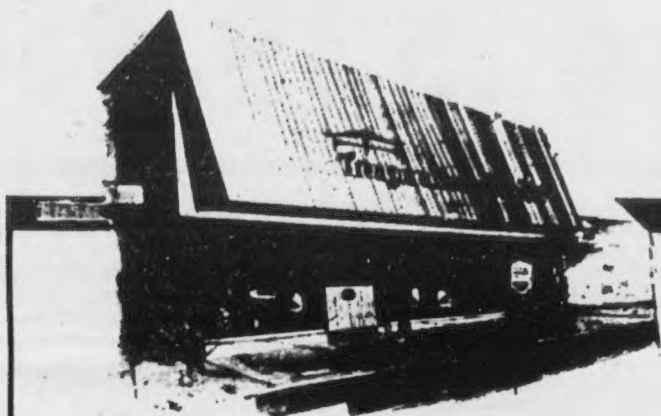

of Mrs. Kay Romeril at 459-6208.

Donna MacMartin, club president, presented Mr. Cliff Keyes, administrator of the Sturgeon General Hospital, and Mrs. Pauline Fleck, director of Nursing, with a cheque for \$750. This money was raised primarily at the annual wine and cheese tasting party held in March, this year. The auction which is always held with the party was extremely successful and it is rumoured that one lady paid \$4.50 for a pair of shocking pink under-shorts.

Cliff Keyes thanked the Newcomers Club for their most generous donation and for past support that the Club had given the hospital. The Lions share of the cash will be spent on an ultra sonic nebuliser and the remainder will go toward operating equipment.

Toronto Dominion has new manager

Mr. William (Bill) Tchir is getting settled into his new office as manager of the Toronto-Dominion Bank on Grandin Shoppers Mall after spending the past year and one half as manager at the bank's Grande Cache branch. Previous to that he was at Wetaskiwin, Calgary and Red

Deer and has been with the bank 16 years. A Lion, he has already joined the St. Albert Club and is also interested in the Chamber of Commerce.

Mr. Tchir enjoys curling, golfing and camping and is looking forward to all these pursuits in St. Albert. He and his wife, Linda, have two daughters and a son and have purchased a home on Beacon Crescent. "We all know we are going to like St. Albert," he commented.

Learning some new ideas for arts and crafts for pre-schoolers is messy business sometimes, but extremely interesting, as St. Albert kindergarten teachers found at the sessions conducted Saturday. The workshop was held by the Parish Kindergarten, in co-operation with the Arts and Crafts Guild, who provided six instructors.

Never underestimate...

Who every heard of recycled wallpaper? We did this week, from a usually reliable source. A lady in St. Albert, (whose husband prefers that she remain anonymous), painstakingly removed some expensive wallpaper from one wall, and, with the reluctant assistance of her husband, transferred it to another wall in the home.

Whether this was in the interest of conservation or

economy, only the lady knows for sure. However our informant assures us that the results are very gratifying, and the couple are back on speaking terms. As we were saying - never underestimate the power of a woman.

Gazette SPORTS

Red Onion Rebels won the "Big Iron" midget tournament with a thrilling 4-3 win over the Bermont Broncos. Happy team members are - back row, left to right: Jamie Smith, Doug Foreman (coach); Jim Kilpatrick, Peter Johns, Jack Bendera, Ross Duncan, Jerry Hamel, Trevor Haight, Jay Henituk, Tom Colville, Joyce Foreman (assistant coach). Front row, left to right - Tracie Smith, Mark Boisvert, Doug Geres, Jim Starko, Lory Moore, Dave McCann, Dean Hunt.

Rebels capture Big Iron bowl - take Broncos in final

Jack Bendera's goal with 15 seconds left in the game gave the Red Onion Rebels an exciting 4-3 win over Bermont Broncos and the "Big Iron Bowl" as the top team in the midget house-league hockey tournament. Rebels, as expected, went through the tournament undefeated with wins over Gazette Grizzlies 8-0, Orphans 6-2 and the Saints 10-2.

Broncos lost their opening game in the double knockout affair 8-3 to the Saints but came back with overtime wins against the Orphans 3-2 and Grizzlies 4-3. Lawrence Frank scored both overtime goals. Broncos then held on for a 6-5 win over the Saints to enter the final with the Rebels.

Broncos took a 2-1 first period lead on goals by Brian Breaky and Kelly Hancock while Lory Moore replied for the Rebels. Midway through the second period Jamie Smith tied the game (14:30) and at 18:43 Moore got his second of the game to give Rebels the lead (3-2) for the first time in the game. With less than a minute to play in the period D. Langridge came from behind the net to beat Rebel goalie Jim Starko and tie the game 3-3.

The third period was as exciting as the first two with both Starko and Doug Peterson making some excellent saves. With less than a minute to play in regulation time it appeared as though overtime would be required to produce a winner. Jack Bendera took a pass from inside

his own zone and raced down the right side. Just as he reached the Bronco blueline he drifted a shot along the ice that somehow managed to slip between Peterson's pads for the winning goal. Peterson had been tremendous in goal stopping many labelled shots.

The final game was watched by some 600 fans and everyone got their money's worth. The two day attendance total was almost 1,700 which was tremendously encouraging to the hard working tournament committee.

The "Big Iron" tournament was discussed sometime ago by some of the midget coaches and the Kinsmen hockey people and after some meetings it was decided to go ahead. After many long hours of putting everything together, drawing schedules, obtaining trophies etc., the big event got underway Saturday morning at 6 a.m. Almost every part of the tournament went exactly as scheduled and the outcome of most of the games were fantastic. Some 70 or so persons were involved but a few should be named as being the most involved - Mike Hampel, Syd Moore, Bob Prather, Don Lavole, Ed Rusnak, Roger Bourbonnais, Don Darling, Fred Falk and a host of others.

TROPHY WINNERS

*Pacific 66 trophy to Lory Moore of the Rebels for the top forward.

*Mohawk Service Station trophy to Neil McLeod of the Hawathas as outstanding goalie.

*Rogers Esso trophy to Dave McCann of the Rebels for the top defenseman.

*St. Albert Texaco trophy to Jamie Smith of the Rebels for being the top scorer.

*Bob Wallis trophy to Michael Mitchell of the Saints for being the top shooter in the Hockey Showdown series.

*Hazel Dean and Bob Evans trophy to Sheldon Quick of the Orphans for being the best goalie in the Hockey Showdown competition.

*The Lions Supper Club hockey scholarship for the tournaments most valuable player went to Lori Loshack of the Saints.

*Bob Wallis received the Tundra Transport trophy for being the best liked referee.

*Doug Peterson was awarded an autographed goal stick by Larry Mitchell of the Sportshop for his heroics above and beyond the call of duty in the Broncos net.

Comets Banquet April 27th

The Jasper Auto Parts Comets will hold their annual banquet and awards night Saturday, April 27 at the St. Albert Inn. The supper gets underway at 5 p.m. and will be for club members and special guests only. A dance will follow with the "Busted Flats" providing the entertainment.

Grandin bowlers do well in junior championships

It was two days to remember for Grandin bowlers when the Edmonton Five Pin Bowling Association held its 11th annual Junior Team championships March 24 and its first annual Junior Team Handicap championships - March 31. Both of the tournaments were held at the Odeon Lanes in Edmonton.

On March 24, St. Albert sent 60 bowlers entered into four divisions. Peewees (8 years - under), Bantams (9-11); Juniors (12 - 14) and Seniors (15 - 19). In each division there were three teams of five players each, a girls team, a boys team, and a mixed team consisting of three girls and two boys. Illness struck some of the players and some of the teams were forced to play with only four players. All the bowlers did well in their attempt to take away some of the trophies and crests, but only one team was successful. The peewee mixed team with Gary Berbenak, Marnie Kelcher, Colleen Brown, Debbie Lopez and Trent Jakubec, bowled extremely well to win decisively.

It was a different story on March 31 however, and St. Albert bowlers did even better. Seven teams entered and five of the seven came through with either first or second place honors. In the bantam division the mixed team was able to defeat all other opponents in their category. On the team was Todd Fookes, Sandy Gare, Leanne Moore, Cheryl Leibel, and Brad Brock. The bantam

girls team came through for second place honors with Alice Grosenick, Wendy Hanke, Deborah Mackinnon, Karen Mallinson and Shannon Morgan. In the junior division, two of the three teams entered came through. The junior girls with Sharon Hannestad, Kim Devine, Tracy Punter, Tammy Hanson and Donna Garven won by a very slim margin over their nearest opponent.

The junior mixed team were runners-up in their category with Cathy Hentig, Dawn Brige, Donna Sloat, and Robert Hanke. This was one of the teams forced to play with only four bowlers

and they did very well.

In the senior division, St. Albert entered only one boys team, and they also came through with a resounding victory over their nearest opponents despite being shorthanded. This team consisted of Mervin Duchscher, Grant Taylor, Ron Hannestad, and Giles Schindler. All in all St. Albert came through with four winners and two runners-up in the two competitions. This is the first year in the history of this tournament that Grandin Lanes has ever come back with a winner. Congratulations to all the bowlers,

One of the main reasons the "Big Iron" midget houseleague tournament was such a tremendous success was the hard work of Mike Hampel shown here announcing part of the ceremonies.

The Bob Wallis trophy for the winner of the Hockey Showdown Shooter went to defenceman Michael Mitchell of the Saints. The winning goaltender Sheldon Quick of the Orphans looks on.

Don Lavoie (right) presenting the Hockey Showdown trophy to Sheldon Quick of the Orphans for being the top goalie. The trophy was donated by Hazel Dean and Bob Evans.

Lory Loshak of the Saints was judged the Most Valuable Player in the Big Iron tournament and was presented with a \$150 hockey scholarship by Mr. Bill Jones of the Lions Club of St. Albert who were the donors. Mrs. Elsie McFarland, assistant deputy minister for the Department of Cultural, Youth and Recreation looks on after congratulating Mr. Loshak.

Hockey Showdown

Michael Mitchell and Sheldon Quick won the top shooter and goaltender trophies in the Hockey Showdown series run with the Big Iron midget tournament last weekend in St. Albert.

Mitchell of the Saints won the Bob Wallis trophy out-scoring Mark Harmon of the Macleod's Hiawathas two goals to one in the final game of the shooters series.

Sheldon Quick of the Orphans was the least scored upon goaltender out of six goalies competing and was awarded a trophy donated by

Hazel Dean and Bob Evans. The showdown series as seen on Hockey Night in Canada Saturday night was a very popular event with two shooters and one goalie from each team competing.

Juveniles lose to Stettler in provincial

The Standard General Juveniles from St. Albert won their opening game of the provincial 'A' finals with a 16-2 margin over Lethbridge but lost their second game 10-6 to host Stettler. Coach John Ewen felt his boys played very well in their loss but just couldn't get the puck in often enough.

In the opening contest St. Albert had no trouble with period leads of 4-0, 9-1 and 16-2. Matt Lister led the way with five goals while

Steve Hoffart added three more. Mike Davids and Ian Langridge added a pair each while Terry Keiser, Scott Ballantine, Claude Regimbald and Gary Bruens added the others.

In the 10-6 loss to tournament winning Stettler, seven second period goals were too much to overcome for St. Albert.

After one period of play both teams were tied 1-1. Hoffart scored for St. Albert with Ballantine assisting.

Stettler scored four straight goals early in the second period for a 5-1 lead before Mike Davids popped in a pair in less than a minute to reduce Stettler's lead to two goals (5-3). Stettler scored two quick ones in nine seconds and one three minutes earlier for a 8-3 lead before Dave Grice tallied for St. Albert to close out the second period scoring.

Both teams scored twice each in the final period. Lister and Bruens blinked

the light for St. Albert. Doug Handguide and Danny Nelson had three each for the winners.

Coach Ewen advised the Gazette that St. Albert could be proud of their players performance both on and off the ice. He felt even though they lost their last game, it was probably the best they had played all year. The team would like to thank Standard General for all their support throughout the year.

Ed Rusnak of the Kinsmen Warlords hockey team (left) presents the Rogers Esso Service trophy to Rebels Dave McCann as the Top Defenceman in the tournament.

"A giant among men" -- that's the opinion of most observers of the performance shown by goalie Doug Peterson of the Broncos. This fellow is the smallest player in the league but no doubt has the biggest heart.

Neil McLeod of the Hiawathas was presented the Mohawk Service trophy as the Outstanding Goalie in the Big Iron Tournament with Mr. Rusnak looking on.

Mr. Rusnak looks on as Jamie Smith of the Red Onion Rebels holds the St. Albert Texaco trophy as the tournaments Top Scorer.

Kinsmen Minor Hockey Playoff

The 1973/74 Kinsmen Minor Hockey Association is fast coming close to an end with playoff action going on in all divisions.

SHAYER A:

The Cougars defeated the Beavers six goals to three to win the Shaver A title. Cougars also had earlier playoff wins over Canucks and the Badgers while Beavers beat the Broncos and had a bye into the finals.

SHAYER B:

Canadians upset the Kolts 3-1 in the final game of Shaver B playoffs to take the title. Canadians beat the Warriors 3-2 and the Bruins 3-2 to enter the finals. Kolts took out the Panthers and then had a bye into the finals.

BANTAM B:

The Leafs and Hawks are in the finals for the Bantam B championship. Leafs took out the Comets 6-0 and then drew the bye into the final while the Hawks shutout the Sals 5-0 and Team #1 5-0. The final is a two-game total goal series.

BANTAM A:

Seals have a two goal lead over the Pharmacy going into their final game in Bantam A finals. Seals beat the

Pharmacy 2-0 Sunday. Pharmacy entered the finals eliminating the Fire Chiefs 5-3 and took the bye. Seals had wins over the Canucks and Canadians.

PEEWEE A:

Barons have a four goal lead going into their final game with the Saints by way of a 4-0 win. Barons shutout the Lions 7-0 and 5-0 while the Saints took out the Bashers 5-1 and 3-3 in the two game total goal series.

PEEWEE B:

Tex-a-go-go and Melton Leaders start their two game total goal series tonight with the second game on Thursday. Tex-a-go-go blanked Cox Pipers 1-0 and 3-0. Melton took out the Sharks 3-2 and 4-3.

MITE A:

Saints and Karpel Kings will hook up in the Mite A final. Saints defeated the Combines 3-0 and 3-2 while Kings had 2-1 and 6-1 wins over the Nuggetts.

MITE B:

Flashers and Dairy Queen will meet in the Mite B finals. Flashers took out Sabres 2-1 and 2-2. Dairy Queen had a 3-2 and 4-4 tie with the Quakers.

A 6-3 loss to Hanna in overtime sent St. Albert Fire Chiefs spinning from the provincial bantam hockey finals held at Strathmore last weekend.

Chiefs opened the tournament with a 2-1 win over Stettler, who eventually emerged the winner, on Friday night, but had a hard time getting untracked against Hanna on Saturday.

They trailed 1-0 after the first period, 2-1 after the second and saw Hanna increase the margin to 3-1 at the 1:25 mark of the third.

As has characterized so many of their games this season, however, Chiefs were far from out of it. They rallied gamely and when Larry Sander cut the margin to 3-2 at 12:30, converting passes from Joe Tworek and Blake Millroy, they were within striking distance.

It took them another emotion-charged five minutes, but they tied the game, Sander again pulling the trigger, ramming home a Colin Wear rebound.

Taking the play to Hanna in the final period, it looked as if the overtime would belong to Chiefs. It was exactly the reverse. Hanna scored at the tail-end of the first shift, 1:47 to be exact, got another 23 seconds later and their sixth and final tally only 20 seconds after that.

It was all over but the shouting.

Dave Shipanoff, a linemate of Sander's, got Chiefs opening goal early in the second but had to retire from the game shortly afterward with a painful back injury. It was a severe blow to Chiefs as that line accounted for four of the five goals they scored on the weekend. Millroy collecting the winner against Stettler Friday night.

The game against Stettler was one of the best of the tournament and it saw a phenomenal performance by St. Albert goalie Glen McRae. Time and again McRae came up with the big save, probably the most important when he gloved the puck al-

most off a Stettler player's stick on a breakaway.

Chiefs got a goal from Kenny Strand, with assists going to Paul McCann and Jimmy Scheibelhofer, in the first period and it looked for a time as this might be enough to win.

But Stettler carried the play to Chiefs in the second and finally tied it at the 7:50 mark of the final period.

The goal seemed to spark Chiefs to action, however, and they gradually began to assume command. The break came in the final minute when Shipanoff scooped up the puck at centre ice and quickly whipped a pass to Sander, who was breaking up the middle.

Sander headed straight for the defence, seemingly prepared to crash through. The defence dug in and converged on him and he coolly slipped a pass to Millroy, who was now uncovered on the right side. Millroy walked in on goalie Garth Niehaus, put the move on him and slid a backhand along the ice for the winner with 40 seconds to play.

Stettler, now in the B end of things, went on from there to down Strathmore, Grande Prairie and Fort Saskatche-

wan for the provincial title. It was sort of a semi-double-knockout affair where a team could lose its first game and stay around, but anyone winning the first one couldn't afford to lose at all.

Grande Prairie could have won out by winning only two straight after their opening loss, knocking off an A event winner that could have won three straight. If they had reached the final against the Fort, if they had won they would have had an identical record, two wins and a loss, yet would have been champions because they won the final, even though they lost to the Fort earlier. Not many people were happy with the draw.

McRae was named first star in the game against Stettler and Millroy was No.

2. On Saturday, Larry Sander was named third star.

Chiefs still have one playoff series to complete. They are tied 1-1 with Barrhead in the bantam division of the Northern Alberta Minor Hockey League, having won the opener 9-5 and losing the second 3-0.

The entire best-of-five series is being played in Barrhead as no ice is available in St. Albert and District Arena. Chiefs were to travel to Barrhead last night and again Thursday. They are to leave on their Easter tour this weekend.

It has been a long season for Chiefs, but by far their most successful in three years of operation. They have won 38 games, lost nine and tied four.

Fastball Meeting

The Sturgeon Men's Fastball League will hold an organizational meeting Wednesday, April 17 in the Spruce Grove Curling Club starting at 8 p.m.

Interested teams wishing to play are asked to attend.

Teams in last years schedule were Michael's Catering, Fairhaven Falcons, Villeneuve, Calahoo, Spruce Grove, Stony Plain, St. Albert Inn and Edmonton Native Sons.

Barons lose in Provincials

St. Albert Sportshop Barons dropped a tough 5-1 decision to Fort Saskatchewan in provincial playoff semi-final action Saturday, ending any hope of the Alberta championship.

After an opening round victory Friday in the six-team playdown held in Medicine Hat -- a 9-6 victory over Medicine Hat Kinsmen -- the Barons were faced with the difficult task of having to play two tough games in five-hours Saturday.

Three goals in the third period gave St. Albert a hard fought 4-3 victory over Camrose Legionnaires, knocking Camrose from further action. After a 90 minute break, the Barons had to face Fort Saskatchewan, who played only one game Friday and by the luck of the draw, were required to play only one game Saturday.

The second game was just too much to ask of hockey players who had given their all in the 8 a.m. match against Camrose, but still the game was in doubt until midway through the third period when the Barons' legs simply gave out.

The win put Fort Saskatchewan into the provincial championship against Fairview. In the opening action Friday, the Fort defeated Fairview 4-3 in overtime, but in the modified double knockout system, each team was permitted a first game

loss without being bounced from the series.

In the opening round, St. Albert spotted Medicine Hat a 1-0 lead with only 17 seconds gone in the contest, but roared back to take a 6-3 first period lead and then coasted to the win.

Centre Darrel Billsten picked up four goals in the free-wheeling contest, including three in the first period, to propel St. Albert to the win.

Tom Parayko and Rod Olsen notched two other St. Albert goals -- Parayko's coming on a penalty shot after he was hauled down from behind on a breakaway.

Steve Foreman made it 6-3 with only 29 seconds remaining in the opening period for his first goal of the game, and then centre Greg Thibert scored what proved to be the winner with only 13 seconds gone in the second, converting a pass from Sandy Millroy and Steve Lister.

Foreman's second goal early in the second period made it 8-3, but three successive goals by Medicine Hat narrowed the count to 8-6 by the midway mark of the third. Billsten's fourth goal with six minutes remaining salted the game away for St. Albert.

Saturday the Barons were drawn against Camrose -- who Friday had defeated Taber Spud Kings 6-2.

Doug Cinnamon gave St. Albert the opening goal early in the second when his backhand trickled over the shoulder of a sprawling Camrose netminder, but two Camrose goals gave them the lead going into the final period.

The Barons put on their greatest performance of the season in the final 20 minutes with Billsten tying the game at the 44 second mark. Odean Trautman gave Camrose a 3-2 lead with eight minutes gone in the period, but Steve Foreman's rebound shot from defenceman Chris Hoffart got that one back just a minute later.

With three and one-half minutes remaining, Gary Ferguson got a pass up to Foreman who sucked in the lone Camrose defenceman, passed to Billsten who had 30 feet of freedom into the Camrose goaltender.

It was no contest. Billsten neatly picked the top glove stick side and St. Albert led 4-3.

But the game took its toll. Chris Hoffart, who played outstanding hockey for the Barons throughout the year, was felled with a knee in the thigh late in the third period, and it was all he could do to skate during the final five minutes.

Another defenceman, Terry Leddy picked up a badly bruised hip after being checked

into the boards, and still a third defenceman, Wayne Kuzio had a badly swollen wrist after being slashed midway through the game.

And as breaks would have it, St. Albert's hustling rightwinger Lloyd Olson was unable to play at all in the contests -- having suffered a bruised ankle in exhibition hockey three days earlier.

Against Fort Saskatchewan, the Barons gave up a one goal lead early in the period when Phil Quinn got his first of two for the Fort, but had it not been for two stubborn goal posts, the Barons could have gone out of the period with a lead.

The Fort made it 2-0 with five minutes remaining in the second period, and then with just 30 seconds remaining in the period it was 3-0.

Hustling John Wells grabbed a clearing pass at the three minute mark of the third and beat Fort goaltender Blair Kjenneron a difficult angle, but the legs weren't there for the final 20 minutes, and the Fort wrapped it up with two goals a minute apart midway through the game.

The Barons leave this weekend on a nine-day hockey tour into the northwestern United States and British Columbia, before wrapping up the season.

Tennis club organizes for promising season

At the recent annual meeting of the St. Albert Tennis Club many items were discussed that should help make the 1974 season an active and successful one.

One of the highlights of the forthcoming season will be the completion of the Tennis Clubhouse by the Town. This facility will greatly enhance the club program and add to the activities that can be carried on at the Mission Courts.

It is hoped that the Town will be resurfacing the Mission Courts this year but at the present time budgets have not been determined by the Town so this item has not been finalized.

The club has submitted, through the Town, an application for S.T.E.P. (Student Temporary Employment Program) assistance whereby two qualified university students would be employed to supervise the Mission Courts on weekdays for the month of June, July and August. If this application is approved it will provide a big boost for junior tennis players in the town as they would have access to instruction and advice throughout the summer months.

The St. Albert Club will be hosting an Invitational (Open) Tournament on June 1 and 2 and the opening club tournament will be a Novelty Doubles on Wednesday evening, May 15.

The Club will again be entering teams in the Edmonton District Interclub League and it is hoped that a junior interclub league will be formed this year.

Notices regarding lesson registration and club memberships will be published in the Gazette later in April.

The executive for the 1974 season is made up of President - Lorne Wood; vice-president - Cynthia Sage; secretary - Donna Jackson; treasurer - Roman Murelka; junior co-ordinator - Al Hoge; tournament captain - Angela Miller and Bob Green.

AROUND TOWN

Tickets for the Spring Ball sponsored by the Sturgeon General Hospital Auxiliary are now on sale. The ball will be held at the St. Albert Inn on Saturday, May 4 and this year the guest speaker will be the Rt. Hon. Dr. J. W. Grant MacEwan. Tickets may be obtained by phoning 459-8496 or 459-7335 and are priced at \$15 per couple.

Tax Tips Column

For further information, call the District Taxation Office. If you live in a toll area, ask your long-distance operator for ZENITH-4000 and your call will be placed without charge.

Q I have heard a lot about Adult Training Allowances under Canada Manpower, some say they are taxable, some say they are not. What is the answer?

A. Any amounts received or an adult training allowance paid under the Adult Occupational Training Act is taxable income. Where amounts received were an allowance for personal living expenses while living away from home, this allowance will not be taxable. T4's will be issued and will show the taxable portion.

Q I worked as a volunteer canvasser for my church's building fund for a considerable length of time - one month in all - during the

year. May I claim a charitable donation for the value of my services?

A. No. Donations of services to charitable organizations may not be claimed.

Q During the year, I paid for my Mother's operation. Although my father claims her as a dependent, may I claim these medical expenses in my return?

A. No. Medical expenses may only be claimed in respect of the taxpayer, his spouse, or an individual he was entitled to claim as a dependent.

Q I am a student nurse and my only income is a small allowance while in training. Where I am required to purchase my own uniform, can I deduct this as an expense, and is the allowance I receive taxable?

A. As an employee, you are not permitted to deduct the cost of your uniform. For the same reason, the

allowance is considered taxable.

Q My husband died and I received a refund of the premiums he had paid into a Registered Retirement Savings Plan. Am I required to pay tax on the amount of this refund?

A. A refund of premiums is treated as ordinary income of the recipient. A refund of premiums received by an annuitant's spouse is not taxable in the spouse's hands if it is transferred within 60 days from the end of the year to another registered retirement savings plan.

Q What medical expenses are allowed for full-time care in a nursing home?

A. If you, your spouse or a dependent were confined to a bed or a wheelchair throughout any 12 month period ending in the year, you may include remuneration to one full-time attendant

or payments to a nursing home for full-time care. Furthermore, even if not confined to a bed or wheelchair, if the patient has been certified by a doctor to be incapable of self-care for what is likely to be an indefinite period, you may deduct amounts paid as remuneration for one full-time attendant to care for the patient in his home.

Q I will be retiring next year and will be receiving a considerable amount of severance pay. I have heard that I can invest this money in an Income Averaging Annuity contract and will only pay tax when I draw it out. Is this correct?

A. Yes, that is correct. Ask your District Taxation Office for a copy of Information Circular 72-21 which lists other qualifying income for investment in an income-averaging annuity contract.

Rangers plan Europe trip

The First St. Albert Rangers are busy making plans toward their goal, a trip to Europe in the summer of 1975. After several months of guest speakers, slide programs and group discussions they decided to take a cycle

tour of Scotland and England, stopping at the World Guiding Centre in London.

To get themselves accustomed to cycling travel they will participate in a cycle tour of Calgary, Banff and Jasper this coming July.

The Ranger Program consist of several program areas. The Challenge program; consisting of hiking, orienteering, ecology, light weight camping and back packing is outdoor oriented. Many of our Rangers have several challenges or are working on different phases of that program, as several of these areas apply directly to their future plans.

As in the past these girls plan to earn their own way through fund raising projects and personal savings. In the coming months the Rangers will be undertaking various projects. The first of these will be the sale of autographed hand dipped candy easter eggs. Made by the Rangers, they will be on sale between now and Easter at various locations. For more information call 459-6952 or 459-4873.

SNAP! it's a mower!

SNAP! it's a dozer!

Only with Case compacts! Exclusive Case "Snap-fast" plunger pins lock attachments in place in a jiffy. No tools required. No nuts, bolts or pins to get lost. "Snap-fast" pins are tractor mounted, let you switch to a Case mower, snowblower or dozer blade whenever you wish. Come in, try a new Case compact and see how easy switching attachments can be.

Project Weather was the entry of Dale Moore and Stephen Marlatt, grade seven students of Simpson School which qualified for the Edmonton Regional Science Fair held last weekend in M. E. LaZerte School. Major attention is focused on the balloon.

Local students enter Regional Fair

Nineteen students from Sir George Simpson and Leo Nickerson Schools had entries in the Edmonton Regional Science Fair held on the weekend in the M. E. LaZerte Composite High School.

Kelly Rose and Shauna Thronson of Leo Nickerson won a second placing for their project entitled The World in a Drop of Water, and were awarded a Hudson Bay medallion and \$20 cash.

Nickerson had 11 students in six projects entered: Dale Thronson and Laine Pickle, grade four, with project Pistol Engine; Dean Bradford and Andy Zilstra, grade five, with Continental Drift; Dean Martin and Donnie Heselwood, grade five, with Petroleum; Kelly and Shauna, grade six, with Tina Taylor with Desalting Salt Water and Carla Middleton and Susan Kosonovich with Production of Bacteria.

Eight students from Sir George Simpson had four projects entered: Weather, by Dale Moore and Stephen Marlatt, grades seven and eight; Allison Case, grade seven, with a Sea Shell display; Stefan Romanov and Richard Schuler, grade five, with Research on Tooth Decay and Mike Otto, Brent Bennett and Danny Massick with Yeast Plant Growth.

Judging of the entries was done Friday evening and the projects were on display for public viewing until 10 p.m. Saturday. A number of parents and teachers from St. Albert attended.

AROUND TOWN

Dave Geddes, librarian at Paul Kane High was celebrating a birthday supper complete with cake Tuesday evening, but efforts to determine which birthday were foiled by the reply - twenty-nine and one half!

Renee Laird, recreation co-ordinator for the town, attended the wedding of Rob McPhee and Jennifer Shuman in Camrose, Saturday. Swim fans will remember Rob who was supervisor at the swimming pool for the 1972 season. He is presently teaching in Bashaw.

Shauna Thronson and Kelly Rose were on hand Saturday to explain their prize winning science project to visitors at the Edmonton Regional Science Fair. The girls are Grade six students at Leo Nickerson School.

AROUND TOWN

During the Easter week the St. Albert Public Library will be decked out in vibrant colors courtesy of St. Albert High School. A display of arts and crafts from the Spring term will be on display all next week, the product of Grade 10 students, featuring over 20 large and small examples of batik and macrame.

ENJOY OUR CLEAN, QUIET PREMISES

The Evangelical Fellowship Church in Edmonton was the setting for the wedding service uniting Brenda Marie Muzylowski, oldest daughter of Mr. and Mrs. John Muzylowski of Oakburn, Manitoba, to Alfred Weidner, son of the late Mr. Eilmar Weidner and Mrs. Weidner of Edmonton. The Rev. Heinz E. Plaum performed the double ring ceremony.

Entering the church on the arm of her father the bride was radiant in a white floor length gown of nylon tulle, an Alfred Angelo design. Tiny heart centres trimmed the high lace collar, the Victorian sleeves with deep cuff and the ruffle on the skirt. A matching yellow ribbon ran through the high waisted bodice and above the skirt ruffle. Her cathedral veil of silk illusion fell from a Juliet cap and she carried a bouquet of yellow sweetheart roses with baby's breath. Donna Kashton, maid of

honor and cousin of the bride and bridesmaids Lois McRae and Ellen Muzylowski, wore identical gowns of white nylon, featuring tiny floral design and trimmed with yellow ribbons falling from the bodice. They carried bouquets of white daisies and wore daisies in their hair. Cross necklaces and small clutch purses, gifts of the bride, completed their ensembles.

The groom, handsome in his grey tuxedo, was attended by Dave Miketon, Keith Sverdrall and Rick Davie, in black tuxedos. Wayne Muzylowski and Gordon Thomas ushered the guests.

During the ceremony a trumpet solo 'I Love You Truly' was played by Eddy Berger, and soloist was Alfred Schulz.

Mr. Mike Muzylowski, uncle of the bride from Delta, B.C., was master of ceremonies for the reception in Beacon Heights Community Hall.

The bride's mother wore a peach floor length gown with white accessories and orchid corsage. Mother of the groom chose a floor length beige gown with matching jacket and an orchid corsage. Paulette Muzylowski and Cindy Kashton were in charge of the guest book. A special guest was Mrs. Ida Gagne of Tisdale, Saskatchewan, grandmother of the bride, and Mrs. Leona Kashton acted as hostess.

Rev. Plaum said grace at the banquet and later spoke on behalf of the groom. He wished the couple a long and happy life together. A toast to the bride was proposed by her uncle, Mr. Fred Muzylowski, to which the groom replied. The groom also proposed a toast to the mothers. Dave Miketon toasted the bridesmaids and Wayne Muzylowski the best men. The bride's father spoke on behalf of himself and his wife, thanking the guests,

and especially Mr. and Mrs. Steve Kashton, for making a home for their daughter over the past two years in St. Albert. Telegrams of congratulation were read by the master of ceremonies.

The bride chose a pink palatino pant suit for going away, accented by a white orchid and silver charm bracelet, gift of the groom.

Out of town guests were from Tisdale, Sask., Oakburn, Winnipeg and Shoal Lake, Manitoba; Prince George, B.C. and Calgary, Alberta.

A certain British manufacturer has branches all over the world. One day the assistant manager received an urgent letter from the Sahara Desert branch. He rushed into the manager's office and announced, "The Sahara Desert lads are short of water."

"Oh, posh," remarked the monomaniacal manager, "they're always short of water."

"I know," his assistant said, "but this time it appears serious, the stamp is stuck on with a pin!"

Notice

To persons engaged in the building trades in Alberta.

This important message is specifically directed to those persons who are involved in the designing, constructing, renovating, demolishing and leasing of buildings in Alberta.

Effective April 1st, 1974 the new Alberta Uniform Building Standards Act and Building Regulations will be in force throughout Alberta.

The purpose of this Notice is to ensure that persons engaged in the building trades are aware of the standards and safeguards that they must follow in order to help protect public life and property in the Province.

For copies of the New Act and Regulations, contact the Alberta Building Standards Branch in your area or write:

GRANDIN SHOPPERS PARK,

Flynn comes through in Veterans bonspiel

Curling last week in the 34th annual Veterans Bonspiel for men 65 years or better, Jim Flynn, curling with Earl Toane of Gibbons, Wilmot Van Camp and Joe Hoslyn, also of Gibbons, won six out of seven games and the Jack Glover memorial trophy. Prizes for the foursome were handsome Travel Guard flight bags. Runners up in this event were Spence Cuthbert, Cliff Fender and Hugh Ross.

With a perfect record of seven out of seven, Albert Lechelt, playing with Clarence Holt, Frank English and Bert Starling of the Avonshire Club won the Gravel Sellers memorial trophy. Runners up were Ralph Leslie, Edmonton, Conrad Patterson, Toffield and Robert Cowley, Edmonton.

Ken Rowe's Vermilion team won the Alf Gregory memorial trophy and other winners in the event were W. G. Garland of Gadsby, Roy Shackleton of Fort Saskatchewan and Steve Hruidey of Edmonton.

The Ted Isaac memorial trophy was won by the Alex Newmann rink with Jim McMurray, Les Cleary and Bre Brisette, secretary of the Edmonton and district Veterans Curling Association.

Nine curlers in the bonspiel were 80 years or over, with the oldest being 87, and miniature trophies were presented to the four oldest curlers. Fifty-five per cent were between the ages of 69 and 75.

Play was at the Granite Club this year April 2, 3 and 4, and with 40 entries the 'spiel was the biggest ever. All draws were in the daytime and there was al-

most full attendance for the banquet held April 2. Next year the bonspiel will be held at the Avonshire and will be extended over four days, due to the increased interest in the event.

In Mr. Flynn's case, his usual players were ill and the foursome were curling together for the first time. "Only two of us use the brush broom out of 160 fellows," said Jim - but really

there's not much sweeping done. "But you better not leave that four foot open," he added.

The Veterans curling program has 16 teams curling twice a week at the Avonshire, 20 at the Granite, eight at the Shamrock, started this year and 16 rinks at the Fort. Jim doesn't play regularly, but had a great time and but had a great time at the 'spiel.

Quality is FIRST at Safeway!

When your youngsters rouse you at the crack of dawn to see what the Easter bunny left, it's not easy to be enthusiastic. But their eagerness is contagious and soon the hunt is on. After you've acted as arbitrator as to who found the most eggs, remember to refrigerate those dyed eggs to use in various ways, such as creamed, deviled, in salad, diced into cream sauces, etc.

Once all that is out of the way, your attention has to be directed to breakfast and preparations for the big Easter dinner. If you're limited in time, don't hesitate to use some convenience foods for these two meals. Frozen waffles, bread and roll dough, juices, yams, vegetables in butter sauce, pumpkin and mince pies, etc. are but a few of the delicious foods available to make your day easier. Safeway's Bel-air line of frozen foods is top quality... I can use any of the products with pride!

Incidentally, let's make sure to stock up on film to record the day's happy events. I find it convenient to buy my film while doing my marketing at Safeway.

Edward Alberts passes at 55

Edward John Alberts of 33 Sunset Boulevard passed away suddenly on Sunday afternoon, March 31 at the age of 55 years.

Father Jacques Joly said prayers at 8 p.m. April 2, with Mr. Paul Babineau, a teacher at Hobbema, giving the scripture readings, and Mrs. Fran Schuchard at the organ.

Funeral services were conducted April 3 from St. Albert Roman Catholic Church, when Father Joly, OMI, officiated with the assistance of Father Maurice Joly, OMI of Hobbema. A close friend of the deceased, Mr. Jim Parker read from the Scriptures, and music was by the Schuchard family.

Pallbearers were - brothers Bernard, Kelly, Reuben, Ralph, Everett, and cousin Howie Alberts.

The Royal Canadian Legion Honor Guard consisted of Bill Eschak, Charlie Howells, Rudy Schribar, Wally Swenarchuk, Dennis Taylor, and Doug Taylor. Interment was in the St. Albert R.C. Cemetery.

Predeceased by his father and an infant daughter Lois Mary, Ed is survived by his loving wife Ileen, four daughters and one son - Mrs. Steve

(Sharon) Farkasdi of Redwater; Frances of Calgary; Catherine, Denise, and Jeffrey, all at home; one grandson, Frank Leslie Farkasdi; his mother, Mrs. Florence Alberts of Melville; three sisters and six brothers.

Born on a farm near Melville, Saskatchewan on Jan. 14 1919, Mr. Alberts was raised there until he entered Regina Normal School. On completion of his training he taught near Melville until June of 1971, when he enlisted in the RCAF. For his service as a bomber pilot in No. 420 Snowy Owl Squadron, he was awarded the Distinguished Flying Cross in 1944. Following his discharge as a Flight Lieutenant in 1945, Ed returned to teaching in Saskatchewan.

He married Ileen Gerger of Wadena, Saskatchewan and in 1959 they moved north to teach at Fond du Lac and Fort Chipewyan on Lake Athabasca.

In 1965 the Alberts family became part of the St. Albert Community. Ed's active involvement in the Historical Society of Alberta led him to become a charter member of the St. Albert Historical Society. He was also a member of the Amisk Waskahagan Chapter, Historical Society of Alberta.

For two years Ed was

principal of the Alexander Indian Day School. In 1967 he received his B.Ed. and that year also marked his appointment as Superintendent of Post-School Education for the Edmonton-Hobbema District. From 1970 to 1971 he took post-graduate studies in Adult Education at the University of Toronto. He had recently been appointed Superintendent of Schools for the Edmonton-Hobbema District.

Mr. Alberts was keenly interested in sports of all kinds. He played baseball and hockey, was an ardent fisherman and hunter and enjoyed golf.

He will be greatly missed by his family, friends and his community.

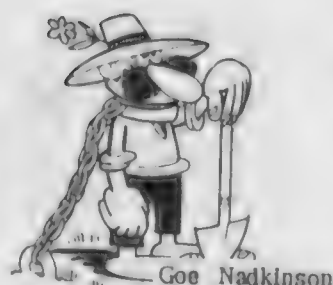

Regular Events

MONDAYS - Bingo - Legion Hall, St. Albert. Every Monday at 7:45 p.m. Three cards for \$1.00

A famous Canadian speaks his mind

When the Hon. Hugh Horner introduced John George Diefenbaker to the constituency dinner meeting for the Hon. Neil Crawford last Tuesday evening, he spoke of Mr. Diefenbaker's achievements and the honors bestowed on him and concluded his remarks by recalling the word of a former colleague from Athabasca, Mr. Arthur Maloney, who said "When John Diefenbaker comes in I stand up."

To many the Chief is the greatest living Canadian and in his 80's he has become a legend in his own time. He looked amazingly fit and spoke for over an hour in a strong voice and with commanding vigor, interrupted only by laughter or applause.

I am moved by this reception - said John Diefenbaker, following an ovation by over 600 people of all ages at the dinner in the St. Basil Centre. I'm sorry Olive is not with me - she encourages at all times - and she will not much more move to meetings across Canada.

On the 16th of this month I go to Israel - we were both invited - to open a parkway 10 - 12 miles long out of Jerusalem, which will bear the name John Diefenbaker Parkway.

I've had schools - streets - a lake named after me, John A. MacDonald also - but never a lake - history records he was allergic to water!

However, one learns one's place. We say grace in our home and once when I asked Olive to say it we bowed our heads and there was silence. "I didn't hear what you said," I remarked, I wasn't speaking to you, was the reply. Women have a tremendous control, inside and outside the home, said Mr. Diefenbaker.

I would be less than frank, said Mr. Diefenbaker, if personally I did not mention Premier Lougheed - Hugh Horner and their government which had made Canada aware of the tremendous resources out here, and their potential - not only for the people of Canada, but for those who own the resources!

"I've spent a lifetime trying to bring about unity - this is a fact," he said. Whatever their origins people are equal. Now Mr. Trudeau is saying that Western Canadian moves seem more of a threat to unity than Quebec. Yet when the Prime Minister visited the U.S.S.R. and was asked what he did for the Ukrainian people under the yoke of political opp-

ression there, he said he didn't bring that up - "I was afraid they would mention the FLQ."

I thought that was one of the worst statements I ever heard a head of government make, said Mr. Diefenbaker.

I could go on - I would like to pay my full tribute, he added. Mr. Trudeau said Alberta was an example of a strong provincial government - and also a province alienated from federalism, more than in a political way, in a business sense and even in a cultural sense.

That statement by Trudeau represents - not an attitude for a strong Canada - we won't have a strong Canada that way. The premiers of each province must be allowed to develop and use their own resources.

I have not found Alberta separatist, said Mr. Diefenbaker - except separatism from Trudeau!

I hold no position in this party he said - except as a member of parliament. But you will not perhaps deny me the right to speak of things necessary for this party, to which I have given most of my life.

"I am concerned about my country. Under Trudeau the basic principles of the Liberal party are being ignored. Socialism is in the saddle. I am concerned about the degree to which tradition is being destroyed. I do not speak disparagingly of the NDP - self preservation is the first law of nature. The Prime Minister survived because of their help - now he speaks contemptuously of them - I don't like that."

But we should get the picture as it is. Mr. Lewis looks at Mr. Trudeau and Mr. Knowles acts as interpreter - he moves - back and forth. The Conservatives criticized ending the soldier settlement land act - a terrible thing. They moved an amendment - there went Mr. Knowles. The conversion of Saul on his way to Damascus was amateur performance by comparison.

I am concerned about my country. It is a fact that some in my party believe in the plum tree philosophy. A Conservative can sit under the plum tree, and as long as he doesn't move, sometime a plum might fall in his lap. I am concerned that there are matters of policy this party should declare. I am concerned unless strong stands are taken on vital issues and economic policies are important.

Inflation is serious - and getting worse under 'Trudeau economics' - "wreck economics." Don't think anyone has a magic answer, said Mr. Diefenbaker, but went on to make a vigorous and impassioned plea for restraint in federal government spending, giving scores of examples such as the 'scarecrow' Prices Review Board under Beryl Plumtree, who is paid \$135 per day plus expenses, as a watchdog with 'no power but to bark.' "But if we don't like the music by the monkey grinder, we don't condemn the monkey!"

When the P.C.'s first

"I am concerned about my country. Where is this land going?" The Right Honourable John George Diefenbaker pauses in his address to the constituency dinner for the Hon. Neil Crawford last Friday evening to let the point strike home.

Photo by Vic Post

act on this board, the NDP again lined up with the government - It is a tremendous problem.

We have one of the outstanding economists of Canada - Mr. Gillis of York University would become Minister of Finance under the Conservatives. He says if the present rate of inflation in housebuilding continues until the year 2,000 a \$42,000 house would cost \$400,000.

Cost of living is up 9 and 1/2 to 10 and 1/2 per cent. A government can communicate by approaching large firms and suggesting that it doesn't think they should raise prices and contribute to rising costs. Because as soon as you raise your prices there will be an investigation under the Combines Act, and if the increase is not justified, you will be prosecuted. But today the sky's the limit he said.

There is no control over government spending in Ottawa. It is unbelievable that with expenditures over 22 billion dollars, nobody controls expenditures - a frightening situation. We have a prime minister who doesn't care. He goes on spending sprees. Under my term it cost \$50,000 to operate the prime minister's office - under Mr. Pearson \$75,000 - and this year that cost is one million, 400 thousand. His car costs \$76,000. His place at Harrington Lake costs \$95,000. To redecorate the upstairs at his home on Sussex Drive is costing \$80,000 - that's your money! He redecorated his centre block office two years ago - now again at \$61,000. \$8,000 for a suede chesterfield, \$5,700 for one for rougher work.

Where are we going, thundered the Chief. Ordinary people have the right to a home. Over the last two years federal expenditures are up 4 per cent. 22 billion. This is a cause

there he was, all by himself - he didn't have to turn around and ask David "Which way should we go?"

There was a time when Canada spoke in the United Nations she was listened to with respect - not today. I visit many parts of the world and everywhere Canadian prestige is lower than ever before - through the footsie tootsie policies of this government. Why are we importing marxists from Chile - putting them up in the Royal York to start. The government answered - 'they promised they would not indulge in communism' - what nonsense is this?

What about people behind the Iron Curtain - men who carry that flickering torch of freedom in the U.S.S.R. - the Ukraine - who ask for their rights as defined in the United Nations charter - men like Valentine Morasse? I say to the Canadian Government - PROTEST!

Surely Canada can speak out - surely - surely, said Mr. Diefenbaker, drawing loud applause.

I hold out hopes for our young people to build our nation he said. They are interested in taking stands. If freedom is to be restored Parliament must be restored. Today Parliament is only a cemetery operated by its own inmates. Our young people don't see a true parliament. McKenzie King and Louis St. Laurent had a devotion to parliament.

Our young people are far wiser - more idealistic - more determined to do something for Canada - except for 4-5%, the hell rais-

ers, and I have no respect for them. We should mobilize the young people - give them a declaration of National Purpose - take their eyes off Watergate. Everyone in public life today is affected by Watergate. We should let the young people know that we have men and women serving in public life without reward.

We must take a strong stand on the Monarchy. Watergate could not happen in Canada, or any British Commonwealth country which recognizes the Crown as the third party of government. If one hundredth of one per cent of the actual facts uncovered in Watergate were uncovered here, the Queen would go to the Governor General and would ask for the resignation of the Prime Minister. If this was not obtained then a general election would be called.

Lets take a stand! Restore the word Royal where surreptitiously removed, and the Coat of Arms. These are not removed in parliament - but by administration.

Pussyfooting never left any footnotes in the sands of greatness. This massive bureaucracy I would say could be cut by 40 per cent -- and we STILL wouldn't have efficiency. Bureaucracy multiplies faster than rabbits. We are on a orgy of expenditures which is uncontrollable. Look at the mess our beef farmers are in - the government pays subsidies which don't go down to the producers. Inflation increases.

Where is this land going?

Buster Brown.

Not opposed to offsite charges

The Editor:

In the April 3 issue of the Gazette is contained a summary of the matters which took place at the Annual Meeting of the M.D. of Sturgeon on March 30.

Your report leaves the reader with the impression that I was opposed to off-site charges because I am allegedly in the real estate business.

Firstly, let me make it perfectly clear that I am not in the real estate business. I buy and own land just as any other person does and I would not want it suggested to your readers that I am opposed to the off-site because I may own real estate.

As I have stated on sever-

al occasions I am not opposed to off-site charges but the amount to be levied to the public for such charges should be a reasonable one. In my opinion \$500 is tantamount to gouging the public. As an example I refer to the charges presently levied by the County of Leduc in the sum of \$100.00. The County of Strathcona - \$250. for each parcel but including the installation of culverts.

I am further opposed to off-site charges when a man sells his farm to a neighbor but wants his home building site subdivided for his own personal use. In that eventuality it is my opinion that the Municipal District of Sturgeon should not charge

an off-site charge at all because no additional services are being provided and perhaps only a small administrative charge should be levied for processing the application.

I also refer you to a March 21st letter written to the Secretary-Treasurer of the M.D. of Sturgeon by W. D. Isbister, Deputy Minister of Municipal Affairs wherein Mr. Isbister states: 'there appears to be no clear cut authority for a Municipality to levy this type of fee (referring to the \$500 levy). Further . . . a solicitor for municipal affairs tends to agree that even if there is such authority (for the \$500 fee) that the amount seems excessive for the actual return that the property receives.'

Your column infers that I am a real estate developer and that for that reason I am opposed to the off-site charges. To set the records straight I farm near Legal and handle 400 head of cattle as part of my operations. I also own other farm lands as part of my farming operations.

Bearing these remarks in mind I hope that the Gazette will, in the future, report more accurately.

Walter Jerram,
Legal, Alberta.

Gibbons

By Ron Coley

A meeting sponsored by Gibbons Lions Club will be held in the Gibbons Community Hall, Monday, April 22 at 8 p.m. The topic of this meeting is 'Environmental Control' with guest speaker Julian Kinisky. Everybody in the community and district is urged to attend this meeting.

Anybody interested in reporting news for Gibbons, for the St. Albert Gazette, please contact Mrs. Shirley Jamison at 459-7144.

RQB 4H speak off

By Careen Perrott

The Riviere Qui Barre Beef Club held its public speaking competition on March 19 at Camilla School. In the senior division Robin Fuhr placed first, Nora Terrault second, and Careen Perrott third. In the junior division May Sheehan took first place, Linda Burns second, and Gail Fuhr.

On March 24 the club attended the Western Canadian Rodeo at the Edmonton Gardens which was enjoyed by all.

On March 31 the club held a ham and turkey bingo at Camilla School for which there was a very fine turnout.

Speaking finals go on with candles and lamps

By Arlene Arlow

March 29, the Sturgeon Junior 4H public speakoffs were held in the Alcomdale Hall, hosted by the Alcomdale Beef and Clothing Club. Judges were Mrs. Margaret McDonald; Mrs. E. Dawson and Mr. J. De Champlain. Mr. Gordon Fuhr was timekeeper, with Colleen Harkin from the Alcomdale Beef Club as mistress of ceremonies. Arlene Arlow said the pledge. Sixteen 4H clubs were represented and competition was keen among the talented young people taking this excellent 4H training, which equips them with an important skill for modern living.

Having the electricity fall when all was ready to begin made it a very memorable evening indeed. With the kindness of Mrs. Grace Breneis, lamps were gathered and candles were set about the hall. This delayed speaking, and when the lamps were in place, the lack of electrical lighting seemed not to hinder the quality of the speeches. The speakers were excellent, with a wide variety of topics.

The judges decision was made in the curling rink, where there was heat. Lunch was served by Alcomdale 4H members.

The winner of the evening was Sheryl Soetaert from Camilla Clothing. It was interesting that she spoke on

electrical appliances when there was no electricity. Second place went to Tammy Kowalski from Bon Accord Food. Her topic was her holidays in Yellowstone Park. Honorable mention was given to Cynthia Bojecko from Bon Accord Clothing who spoke on friendship.

The first place trophy was donated by the Royal Bank, Northgate Branch, represented by Mr. Schmidt. Sheryl was congratulated and

wished good luck from Mr. Schmidt.

Our MLA Ernie Jamison gave the second place trophy. His representative was Mr. L. Kluthe. It is disappointing we have never seen Mr. Jamison come to any 4H Speaking competitions. We regret that he always seems to be busy at conferences and such.

After lunch, Colleen Harkin thanked everyone for coming.

M.D. Sturgeon approves lease with School Board

All seven councillors, the secretary treasurer and assistant and the public works foreman were present for the March 15 meeting of M.D. Sturgeon Council.

Committee changes were made as follows: Coun. Van de Walle replaces Reeve Flynn on the executive committee, now consisting of Councillors Kluthe, Van de Walle and Crozier. Coun. Van de Walle is alternate member on Edmonton Area Industrial Development Association. Coun. Van de Walle replaces Reeve Flynn on the Morinville Seed Plant Board.

Council approved a lease agreement with Sturgeon School Division on Cunningham School in Morinville, under which the M.D. will repair the heating and water systems, maintain the building in proper state of repair during the term of the agreement and pay utilities and taxes. The municipality will pay the sum of \$1 per annum

to the Division and the agreement is for one year, renewable automatically unless otherwise terminated. The MD plans to use the building for a recreation headquarters.

Three readings were given to Bylaw #191/73 for the purpose of cancelling road allowances and road areas to be closed and sold to property owners whose lands abut the cancelled road as indicated in the bylaw. Following advertisement of the bylaw no petitions or objections were received. Nine road allowances totalling 25.81 acres along the west boundary of the former Michelin Indian Reservation were set out in the bylaw, to be approved by the minister of highways.

Third and final reading was given Bylaw #196/74 which prescribes a maximum speed of 40 m.p.h. for all trucks over one ton travelling the Fedorah road from Highway 28, one mile east of Bon Accord, going

northerly about 13 miles. Bylaw #197/74, restricting weight of vehicles with load on all municipal roads within the municipality at the maximum of 45,000 lbs., - except secondary road No. 794, one and one-half miles north of Villeneuve going southerly five miles - was given final reading and passed.

Council authorized PACM to install two 43" x 27" metal culverts under the River Road at River Lots 19 and 20, St. Albert settlement, and the Company's road. Installation will be under the supervision of the M.D. Public Works and the Company requires permission from Water Resources Division.

Coun. Courchesne was requested to immediately look into a request from the school division on brush removal and relocating road signs at the intersection of Horse Hill School.

A motion carried authorizing the Public Works Shop to service the Sturgeon Recreation bus.

Director Carl Royan informed council that if the recreation board budget is approved as submitted it would mean about .48 of a mill increase over last year.

A motion carried to pay rec. board members \$20 per evening meeting and Mr. Robert Loma was appointed alternate member to the Sturgeon Regional Recreation Council. Council authorized a payment of \$600 towards the construction cost, estimated at \$1,900 for a skating rink at Sturgeon Heights School.

The Reeve and ASB were authorized to lease or purchase steel storage bins for grass seed and chemicals.

M.D. Council considers two resident petitions

M.D. Sturgeon Council considered two petitions at their March 15 meeting with all members present.

A letter from Janet MacDonald was accompanied by a petition signed by 42 residents along Big Lake Road, which strongly opposed the use of the road as a truck route. The public works were requested to meet with the two trucking companies involved to discuss road widening, upgrading and dust control. A comparison will be made on these costs with alternate truck route, and the committee will also be making the trucking companies aware of the strong opposition from residents.

Thirty-six residents of Sturgeon, Crest, Viscount Estate and North Point acreage subdivisions, protested the high assessment and mill rate. They asked a public statement by council that the 1974 mill rate will be reduced to approximately 60 mills. The petitioners were to be informed that there is a reason that the 1974 mill rate will be lower, as there won't be a school foundation mill rate. However councillors are not prepared to make a public statement that the new rate will be about 60 mills before the 1974 budget is approved, and before

new provincial legislation is passed and council knows the figures on grants available to municipalities.

The meeting reconvened March 18, with Councillors Van de Walle and Jerram absent. An application to lease 320 acres of municipal land at Cardiff for pasture was considered from Teron Ranches. Motion carried that the property be advertised for rent in the newspaper, with conditions that the lessee be responsible for fence repairs and any damages caused by cattle.

A request was in from Peter Kostuk for a three year lease renewal in municipal Park Reserve. It was moved to extend the lease to Dec. 31, 1974, and advise the lessee that the lease will be advertised after that date, and further advise that the property is to be seeded to grass, along with a nurse crop.

Council authorized the purchase of equipment for the Utility Officer, Scott Sanderson. A pipeline detector and a gas detector, along with miscellaneous items will be purchased at cost of approximately - \$1,075.

Mr. A. Lesburg, Mr. L. Bosiak and Mr. L. McKinstry attended the meeting to

discuss park reserve development in the Fairhaven subdivision. They had been appointed as a committee to develop some recreation facilities such as ball diamond, skating rink, tennis courts, and would appreciate use of municipal equipment. They were referred to the Recreation Board for initial advice and funding possibilities.

The recreation board presented a resolution to council for discussion at the Spring Convention of the Alberta Association of Municipal Districts and Counties. It requests that municipalities be excluded from the seat-mile road tax charged by the Highway Traffic Board under the public service fee certificate obtained by the Recreation Board.

TAKE THE CLASSIFIEDS ROUTE, IT'LL PAY-OFF.

Alcomdale 4H News

By Arlene Arlow

The Alcomdale Beef 4H speaking competitions were held on March 20 in the Independence Hall. The judges were Mr. Richard Friedrich; Mrs. Margaret McDonald and Mrs. Seth Brown. Timekeeper was Mr. Jim Kyle, and Miss Katherine Kyle of the Clothing Club was mistress of ceremonies. Crystal Harkin said the pledge.

After the interesting speeches and impromptus, lunch was served. During this time, the judges made their decisions.

In the senior section, Colleen Harkin received first,

with her sister, Crystal Harkin coming in second. In the juniors, Barry Harkin came first with Arlene Arlow receiving second.

The first place trophies were donated by the Independence Women's Institute. Second place winners received a plaque from the Beef Club. Club President, Darci Brennels, thanked everyone for attending.

ALBERTA ALL-RISK CROP INSURANCE

NOW AVAILABLE IN ALL AREAS OF ALBERTA

FULL PROTECTION

... against all unavoidable causes of loss — drought, excess moisture, frost, snow, hail, insects, plant diseases, wind & wildlife.

SEE YOUR AGENT BEFORE APRIL 30

With high grain prices and improved marketing conditions, all you need for a successful year is a good crop. BUT a crop failure can change your profit to serious loss or disaster. Don't take a chance! Be protected! All-Risk Crop Insurance saves your investment.

AT 50% LESS THAN COST

... because one-half of the premium and all administration costs are paid by the provincial and federal governments.

COST REDUCING DISCOUNTS

... are allowed for cash, size and good experience, and coverage 'bonuses' for those with loss-free records. Crop Insurance premiums are deductible for income tax purposes.

LOW COST HAIL ENDORSEMENT

provides 'spot-loss' protection from hail at a premium of only 40% of the normal hail rate.

* DEADLINE FOR APPLICATIONS IS APRIL 30th *

Locals from Legal

By Lucienne Montpetit
I would like to wish everyone a very Happy Easter.

Mr. Wilfred Lacavaller with 45 other Revelote managers were awarded a four day fishing trip to San

Diego, California. They left last Thursday to return Sunday with a sunburn and very few fish. All in all the trip was short but a very enjoyable experience.

Mr. and Mrs. Remi Cyr

are receiving congratulations upon the arrival of their daughter Chantal, born April 2 weighing 7 lbs. 11 ozs. A sister for Roger and Eric. The godparents will be Mr. and Mrs. Romeo Boissonault.

Congratulations to the students who attended the Provincial Gymnastic competitions held in Lethbridge.

The annual meeting of the Legal Co-operative Association Limited will be held on April 17 at the Community Hall at 8 p.m. The agenda will include review of financial statement. Election of officers, door prizes and lunch.

Registration for play-school fall classes, Phone Gaefane Champagne at 598-3850 or Lucienne Montpetit at 598-3880 before April 24.

A good number of people from our community attended the Rec. Fest last weekend. Legal was well represented with a very good display of arts and crafts.

Mr. and Mrs. Leo Charrois and family and Jocelyne Chamberland travelled to Falher to spend the weekend with Mr. and Mrs. Henri Charrois and Lise.

Mr. and Mrs. Laurier Brisson from Prince George spent four days visiting with relatives and friends last week.

Legal student enjoys Rome 11

Friday, March 29, Pat Montpetit was one of the four students from Alberta who boarded the train at 4:30 to be guest at Rome 11 in North Battleford, Saskatchewan. These three days were strictly for the french speaking students of the province. Workshops such as these were offered for the students: Jod, karate, yoga, audio-visual, modern music, defence for women, dance, marionettes and many more.

After arriving in North Battleford the four Albertans were very well greeted, then taken to a greaser dance in the school gym. Souvenirs were presented to the best greaser and the best rock and roll dancers. Prince Albert took away both awards. Following the dance, some 200 girls retired for the night at "L'ecole St. Andre." The boys stayed at "College St. Thomas" on the outskirts of the city.

Saturday they visited all the workshops and at 8 they celebrated a beautiful mass in the school gym. After mass a concert featuring

Mr. Jos. Kowalechuk's friends and neighbors all pitched in to haul his hay after Jos was injured in an accident, in which his truck was completely demolished when hit by a Co-op Cab recently. There is still some true community spirit as shown above with the trucks and drivers hay brigade. Left to right: Leonard Hrymyn, Allan Woywitka, Fred T. Laskowski, Fred J. Laskowski and Andy Woywitka. Others that helped were John Brilliant, Mike Dwornick, Pete Ewanuk and Jim Kowalechuk.

Central Ag Society plans all out campaign

The S.C.A.S. is planning a Fund Raising Campaign in the very near future. All residents of Morinville and the surrounding community will be contacted in person and requested to donate what they can to the "Artificial Ice Fund."

Right now there are forms available at the Royal Bank and the Morinville Savings and Credit Union, whereby you may sign a statement giving the banking authority

permission to deduct so many dollars from your account each month and place it in the "Artificial Ice Fund." This is quite often a simple way to make donations since the total amount does not have to be put-in in one lump sum.

The Central Sturgeon Agricultural Society hopes to raise up to \$30,000, and since the money has been coming in very slowly, this will be an all-out campaign.

A multi-purpose building is now in the planning stages, but the first item on the bill is an artificial ice plant that will serve both the existing arena and the proposed curling rink. One must begin somewhere, and immediately following Frontier Daze,

the work will begin on getting the arena ready for installation of the plant.

So when you are contacted regarding a donation towards the "Artificial Ice Fund," please remember that the C.S.A.S. is planning to have artificial ice in the Morinville Arena for the 1974-75 skating season!

MORINVILLE MEMOS

By Flo McGinnis

Only 10 days to go till the Sportsman's Dinner! On Saturday, April 20 the Morinville Recreation Centre will be a hive of activity as the Annual Sportsman's Dinner goes ahead as planned. The meal will be served at 6 p.m. and then the draws will begin. This year there are up to \$1,000 being given away in cash prizes. Sponsored by the C.S.A., and the Sports Association, all the proceeds will go toward Artificial Ice! Tickets available at local business places.

Tuesday, April 16 is the date for the regular meeting of the United Church Ladies Aid, to be held at the home of Mrs. Rita Barilla. You are invited to call Jean Robinson at 256-3153 for information and directions.

The Alberta Wheat Pool tour by Air Canada flight to Vancouver included several local people. Mrs. Edna Vion, Mr. and Mrs. Roland Tuelme, Mr. and Mrs. George Schayes, Mr. and Mrs. Bill Bokenfohr, and Mrs. and Mrs. Roland Belanger, were members of the tour group. They attended the hockey game at the Coliseum and also went to Victoria by ferry and spent the whole day touring. The group had a deluxe tour of Vancouver itself, and there was even time left over for visiting relatives. From all re-

ports each and every one had a wonderful time.

Minor BASEBALL is being organized now in Morinville. All children attending the Morinville schools will receive application forms through their school. These forms are to be filled out and returned to the Rec. Centre on April 24 at 7:30 p.m. (registration night). The Sports Association asks that all parents make certain that their youngster brings the completed application form to the registration night!

As a footnote to the foregoing, you may recall that last year the plans for minor baseball fell through since there were no coaches. It is extremely urgent that some of you parents come forward and volunteer to act as coaches. If you can assist at all please call Doug Ramer at 256-3565.

The weekend of March 30 and 31, the Morinville Bantams travelled to Manning to participate in a hockey tournament. They played five games, winning four, and losing only the last game in overtime! Top scorers were: Ken Biddiscombe - 13 goals; Jeff Mulligan - 9 goals; Brian Hermantz - 7 goals; and David Chalfour - 3 goals.

Four individual trophies were presented, with Morinville boys winning two of them. Jack Kool won the trophy for Best Goalie, and Daryl Bokenfohr received top honors for Best Defenceman.

Everyone (boys and adults) from Morinville had an extremely enjoyable time, found the people very friendly, and were treated well. The coaches have expressed their thanks to the Morinville Lions, and Craig's Manufacturing for sponsoring this trip.

The Senior Citizens' Rendezvous Hut was crowded to overflowing during all the activity of the Brochu games on Saturday. Thirty-six competitors played in the event, and with the delicious lunch being served, many people stayed on after the games to visit and play cards in general. The Senior Citizens of Morinville have expressed their thanks to all those who organized the Rec Fest, and wish to state publicly that they all had a most enjoyable weekend.

Yoga instruction will be offered in Morinville afternoons beginning week of April 15. A tiny tot program will run simultaneously. For more information phone Mrs. Eva Coulombe - 256-3625.

FLASH BULLETIN - The Morinville Rec Board has just released the news that they will be holding their regular KEEP FIT classes again this year. Registration will be taken at 7 p.m. on Monday, April 15 at the Vanier Gym (use west door). The course will be held every Monday from 7 - 9 p.m. for six full weeks. Fee - \$5 for 12 hours of toning-up and physical fitness exercises. Ladies who wish to join the class may call 256-3428 between 9 and 6 for further information.

Camilla 4H speak-offs

By Joan Sheehan

4H club speak-offs for Camilla Clothing Club have once more been completed. The club level speak-offs were held on Feb. 22 in Camilla School. It was a very interesting evening with the calibre of speeches improving every year. Sheryl Soetaert placed first in the junior section with her speech entitled "Machine Personalities." Dianne Bokenfohr received second. Senior section winner was Donna Perrott with an interesting speech entitled "How Lucky You Are." Second place went to Lonnie Iske.

Sincere thanks to our competent judges Mr. Jim Kyle Mrs. Margaret Borle and Mr. Paul Rippe. Sheryl Soetaert went on to win the Sturgeon Speak-offs held at Alcomdale. Congratulations Sheryl for a job well done.

Club members are now in hectic preparation for the Achievement Day, which will be held on April 17.

W.W. Farm Equipment plans gala opening

The Massey Ferguson dealership in Morinville was purchased by Bill Webb and Ken Wiesbrot in November of 1973. Known formerly as Meunier Farm Equipment, this dealership has been serving the Morinville area for some years, and the new

owners are anxious that the good service should continue.

On Thursday, April 18 they are holding an official Grand Opening and inviting everyone to drop in and see what they have to offer. There will be an official ribbon cutting ceremony at 1 p.m., with

Ernie Jamison MLA doing the honors.

From 1 - 5 p.m. there will be live entertainment, numerous draws for a variety of prizes, free coffee and beef-on-a-bun for all those in attendance. Bill and Ken will be on hand to discuss the farm and garden needs of area residents. There will also be representatives from the implement dealers - Massey Ferguson, Allied Farm Equipment, Morris Rod Weeders.

The previous owners of this dealership carried lines of paint and fertilizer, but Bill and Ken have dropped these lines in order to concentrate strictly on farm equipment. In this way they are endeavoring to give better service to the farmer.

Since taking over the business, the new owners have done some slight renovations, mainly the building of a sales office in order to give the customer a pleasant, quiet place to consider their needs and purchases.

W. W. Farm Equipment now carry full lines of farm and garden needs, and have a fully trained staff to carry out necessary repairs on all equipment.

Members of the Morinville Board of Trade, Ken Wiesbrot and Bill Webb have been taken into the community, and are very much interested in the progress of the area.

KEN WIESBROT

Ken is married with one son. Ken and his family have lived in St. Albert for the past year, and Ken was previously a District Manager for Massey Ferguson.

LEON SYLVESTRE a mechanic at W. W. Farm Equipment, is well known to Morinville and District.

BILL WEBB

Bill is married with three children (two boys and one girl), is living in St. Albert and commuting to Morinville each day. Previously Bill was a sales representative with New Holland.

Villeneuve

By Vernice Soetaert

On Wednesday, March 27 the Villeneuve 4H Sewing Club held their end of the year party. The evening was started by lunching at the Dairy Queen and then followed by skating at Mayfair Park. The club invited friends which made it more fun for all.

Achievement Day this year will be held in the Villeneuve Hall, April 8 at 7:30. The year's work of the club will be on display. A fashion show will be given and lunch will be served. The public is welcome.

Report from Bon Accord

By Sadie Allen

Holy Communion and Divine Liturgy will be celebrated in the Ukrainian Greek Orthodox Church at Fedorah on Saturday, April 13 at 9 a.m. with Very Reverend Wasliw in attendance. There will also be a blessing of Easter Bread at this service.

Easter services for the United and Anglican congregations will take place at 9 a.m. in their respective churches in Bon Accord.

Easter mass will take place in the Sacred Heart Roman Catholic Church in Gibbons at 9 a.m.

Congratulations to Marsha Rigney, who placed second in the senior speak-offs held at Parkland Composite High in Edson on April 5. Marsha will compete in the Northern Alberta finals at the Sportex on April 19.

The Sports evening held on April 6 in the B.A. Comm. Centre was enjoyed by all.

Honored guests were members of the senior hockey, baseball and softball teams and the coaches for all the teams. Winner of the senior hockey Most Valuable Player award was Ted Carruthers. On behalf of the hockey clubs Don Bland presented Nigel Mansfield with a gift in appreciation of his faithful attendance at the senior games to administer First Aid when needed. On behalf of the ladies fastball team, Pat Relchle presented Glenna Brennan with a gift in appreciation of her organization and management of the team. From the clubs - a sincere thank you to the coaches, fans and all those who gave their support during the past year and an invitation to keep up the good work again this year. Winners of the raffles were Sandy Hard and Rose Ruth. A lovely lunch was prepared and served by the Ladies Community Club.

Tickets for the Minor Hockey Sport Night which is slated for April 28 are now available from the team coaches. Tickets are \$2 for adults and \$1 for 6 - 16. Turkey and all the trimmings will be served. If you plan to attend, please pick up your tickets no later than April 19. Players and coaches will receive complimentary tickets. Registration for baseball and softball will be held the same night so bring along your birth certificate. Anyone interested in men's fastball is asked to contact Don Bland 298-2374.

The Roman Catholic Women's Club met at the home

of Lynn Fisher on April 3, with nine members and two visitors present. The next meeting will be held at the home of Mary LeBlanc, -- 4923 - 51 Avenue on Wednesday, May 8. Newcomers wishing more information may phone Rose Ruth, 298-3931.

From the Bon Accord community, a special bouquet to the Rec. Fest committee for a job well done and a thank you to all those who helped to make the weekend a great success.

There will be no bingo on Sunday, April 14. Regular bingo will resume on April 21, with the Jackpot at \$80. In 56 numbers. Winner of the bonanza bingo was Fae McBride.

A warm welcome is extended to the following newcomers to our community - Mr. and Mrs. L. McMinn, W. Burns, R. Rugg, D. Medwid, J. Anderson, D. O'Brien P. Yurchak, R. Marion, J. Chopp, W. Linton, Ted Kinjerski, R. Doel, R. Fagan, K. Swinton, S. W. Nestor.

Get well wishes are extended to Mr. Andy Briggs in Sturgeon General and to Mrs. Ada McDonald in the University Hospital.

Calahoo Report

By Liz McLeod

Donald and Barbara Majeau are receiving congratulations on their first wedding anniversary.

Hector and Laura Boddez got a pleasant surprise when Mr. and Mrs. Fred Labonte decided to spend the afternoon, and such a pleasant time ensued, they stayed to the wee hours of the morning.

At last warmer weather has arrived making it nice to take a drive and visit friends. With this in mind the Peter McLeods' invited the Fred Labontes' for dinner and an evening of visiting.

Jack and Sandra Rudd and family gave Emelia Barry and Michael Schmermund a pleasant surprise when they came out from Edmonton to visit Gordon and Gertrude Bergstreiser, Leah and Trevor had the same thought on the same day visiting the Schmermunds.

May I take this opportunity to wish each and everyone a Happy Easter.

The Fedorah craft display at the Sturgeon Rec. Fest '74 shows from left to right - Mmes. A. Magera, Olga Ferby, Elsie Belziuk and Kay Kostiw. The garment in the background is a priest's vestments made by Mrs. Magera and presented to the church in honor of their 25th wedding anniversary 10 years ago. Twelve 100 yard spools of cotton were used in its construction. Photo by Jim George of Bon Accord.

Rigney - Anderson Wed

St. Faiths Anglican Church in Edmonton was the scene of a lovely March wedding, when Joyce Raeanne, second daughter of Mr. and Mrs. Ray L. Rigney of Bon Accord exchanged vows with Robert Cecil, eldest son of Mr. and Mrs. Cecil Anderson of Kathryn, Alberta.

Bouquets of carnations graced the altar and yellow and white mums in the chancel. The pews were marked with white ribbon bows.

The ceremony was performed by Rev. T. McKnight of Edmonton and organist was Mrs. Peggy Zuhling of Bon Accord.

The bride entering the church with her father looked radiant in her floor length gown of nylon sheer over taffeta, accented with lace applique, designed with high neckline and long full sleeves. The bodice featured a "V" insert of lace and matching lace fashioned the cuffs and stand up collar. Joyce's bridal veil trimmed with lace was held in place by a small mantilla. She carried a beautiful bouquet of yellow roses and daisies.

The maid of honor was Miss Marsha Rigney, sister of the bride. Bridesmaids were Miss Joan Anderson, sister of the groom and Miss Margaret Burroughs. The bride's attendants wore identically styled gowns of emerald green velvet, styled with empire waistlines and short sleeves. They carried bouquets of yellow daisies.

Best man was Mr. Donald Anderson brother of the groom, and groomsmen were Mr. Donald Rigney, brother of the bride, and Mr. David Anderson. Ushers were Mr. Melvin Clark and Mr. Lloyd

Williams.

For her daughter's wedding Mrs. Rigney chose a full length gown of royal blue velvet with flowing chiffon sleeves, complimented by a corsage of pink roses.

Mrs. Anderson wore a full length gown of rose pink crepe with long sleeves and matching lace trim, and talismen roses en corsage.

Following the ceremony a reception and dance were held at the Bon Accord Community Centre.

The bride's table was centered with a beautifully decorated three tier wedding cake, trimmed with baskets of yellow sweet peas, and flanked by yellow tapers.

Master of ceremonies for the evening was Mr. Frank Rigney, uncle of the bride and Mr. Keith Everitt proposed the toast to the bride. Telegrams of congratulations were read.

For open house the following day, at the home of the bride's parents, Joyce chose a navy blue crepe dress with white trim and white accessories and a corsage of yellow roses.

The happy couple will reside in Edmonton.

Village of Bon Accord

NOTICE OF PUBLIC MEETING

The Council of the Village of Bon Accord intends to enact a Zoning Bylaw pursuant to Section 119 of the Provincial Planning Act, 1970, as amended, for the purpose of controlling development within the Village of Bon Accord.

The new Zoning Bylaw #66 will repeal and replace the existing Development Control Bylaw #20/2, as amended.

The proposed Bylaw may be examined during normal business hours in the office of the Secretary-Treasurer at Bon Accord, Alberta.

The Public Hearing will be held in the Bon Accord Community Centre on Wednesday, May 1st at 8 p.m. in order to hear any objections or comments to the proposed Bylaw.

Objections shall be submitted in writing prior to the meeting. They will be received by the Secretary Treasurer at her office until 12:00 noon on May 1st, 1974. Those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Jean Chubb,
Secretary-Treasurer.

Don't put all your eggs in one basket! CROP!

Every farmer knows that relying too heavily on one crop can lead to cash income problems. He has learned not to Put All His Eggs In One Basket.

Rapeseed has been, and still is, the stabilizing crop that provides ready cash.

Rapeseed growers have consistently, for fifteen years, signed Western Canadian Seed Processors' Grower Contracts and assured themselves of a guaranteed market.

This year is no exception... Rapeseed markets are still strong. Rapeseed provides the diversity. Rapeseed is great for rotations and Rapeseed can be seeded late and harvested early.

A Western Canadian Seed Processors' Grower Contract offers cash advances, daily pricing when your crop is in the bin, pooling, on-the-farm storage payments, and, this year, freight assistance and/or local delivery points.

Sign a Western Canadian Seed Processors' Contract today... thousands of Alberta farmers do every year.

ANNUAL MEETING

OF RAY R.E.A.

WEDNESDAY, APRIL 24 AT 8 P.M.

ST. ALBERT COMMUNITY HALL

Mrs. Eloise Borle,
Secretary - Ray R.E.A.

Morinville Seniors holds wind up party

By Simonne Chevalier

Saturday, March 23 was the date set for the Morinville Motors' Seniors to meet once again. This time it was not on the ice however, but rather, a wind-up party held in the Legion Hall.

Planned very well by the management, the evening began with a sit-down meal, with Gilbert Boddez acting as master of ceremonies.

Head table guests included Rene Leduc, president of the league, who spoke a few words, in the absence of Carl Royan, before presenting the trophies.

Most Gentlemanly Player award went to Richard

Wright (the winger on the Wright and Wright Bros. line)

Rookie of the Year trophy was presented to Rod Arthur who, prior to joining the team, hadn't skated for some five years.

The Most Valuable Player trophy, an award given to the player who is chosen by his team-mates in a ballot-type vote, was presented to centre O'Neill Chevalier.

Coach Sid Plifko spoke to the team, thanking them for the effort they put in, and committed himself to coaching again next year. He also spoke words of thanks to Roger Tourangeau, his assistant coach, for (quote) "Putting it all together."

Captain of the team, O'Neill Chevalier commented on individual incidents which had occurred throughout the year. Some of these brought back hilarious memories and at times those present were all wracked with laughter. O'Neill thanked the players for doing their best, and encouraged them to all come back next year. He feels that "we've got the TEAM, and 1975 is the YEAR."

Ubaldo Chevalier received special thanks for the tremendous job he did for the league by collecting at the door for every game in Morinville. Mrs. Odelle Chevalier was congratulated for being so very patient when Ubaldo was gone from home so much of the time.

Coach O'Neill pointed out the extreme amount of time and energy which manager Paul Krauskopf, equipment manager Bud Rockwell, and

timekeeper Richard Lepage contributed to the senior hockey team. The coach made it clear that the dependability of these three was not merely taken for granted, but was very much appreciated by all the players, especially the way in which the equipment was purchased and cared for.

The Morinville Community Sports Association, the sponsors of the senior hockey team, were specially thanked for their support, as were Morinville Motors for donating sweaters, crests, pants and socks.

The evening continued with dancing, lunch and coffee. All in all, it was a very successful party, and as they say - 'A good time was had by all.' Everyone is looking forward to next year and another exciting season.

NAMAO NEWS

By Norma Crozier

Namoo School and Community League will hold their "Cotton Ball" in the school auditorium on Friday, April 19 to the music of the Twiliters. Refreshments 8 p.m., dancing 9:30 p.m. - 1:30 a.m. Tickets \$6 per couple, may be purchased from Johnny's Store, Samis Garage, Vera Huber - 799-3849 or Clayton Crozier - 799-3248.

Mr. and Mrs. Henry Hodgins have returned home from holidaying in Hawaii.

Mr. and Mrs. H. Cooper of Armstrong, B.C. have been visiting at the home of Mr. and Mrs. Harold Gebbey.

Get well wishes to Mrs. Lindsay Rye who is a patient in Misericordia Hospital in Edmonton.

Get well wishes to Mrs. George Knight who is a patient in Fort Saskatchewan Hospital.

An Easter Sunday Sunrise Service will be conducted by the Namoo Hi-C at 7:30 a.m. in the Church, to be followed by a pancake breakfast in the hall. Everyone welcome.

The congregation of Namoo Church enjoyed a visit with Dr. E. Miller, his wife and family when they attended the Sunday service.

A REMINDER

The Namoo, Bon Accord, Red Cross Blood Donor Clinic will be held in the Bon Accord Community Hall on Wednesday, April 17 from 6-9:30 p.m. Babysitting provided.

By Liz McLeod

The Consumer Education and Home Management Course recently completed at Mearns Community Hall was a complete success. This was a first of its kind, instigated by Pat Doerksen, DHE for MD of Sturgeon, and the response was so great, that a course was arranged in Villeneuve. This one is filled already, and if there are 25 interested ladies in and around Calahoo, Pat will conduct the course here also, presumably next November. Interested persons should send their name in to Pat's office in Morinville soon.

During this interesting and informative course speakers included Sally Merchant of the Consumer and Corporate Affairs Dept. in the Federal Government and lawyer Kathy Frazer, a former

classmate of Rat's. She enlightened the group on many aspects of the law pertaining to women in a unique way, using skits and then explaining the pros and cons. She made it easy to understand.

Marlene Jubinville, expert on family living and learning to get along in a group etc., held an attentive audience.

Two district health nurses, Pat Mah and Aimee Olsen from the Sturgeon Health Unit in St. Albert told of the services rendered in the district and answered many questions.

Did you know that any person young or older can have their hearing tested at any time? Or if you wish to have an analysis of your drinking water made, you can take one quart in to the office for the

bacterial and mineral count.

Constable John MacEwan of the Morinville Detachment of the RCMP found a receptive audience and answered many questions while explaining services offered, with a lot of helpful hints on how to protect yourself and your possessions.

Wally Klatt, district agriculturist answered many questions as well as giving us much valuable information on landscaping, insect sprays, farm loans etc.

Carl Royan, head of Sturgeon Regional Recreation groups told of the many services and projects underway as well as more being created.

Legal Honours R. St. Jean

On the occasion of Mr. Raoul St. Jean's 25 years of service with the Village of Legal - the members of the council deemed it fitting to hold a "get-together."

Mr. Arthur Morin, Deputy Mayor, presented Mr. St. Jean with a recliner chair on behalf of the Village of Legal.

Mr. Joseph Nault, Mayor, thanked Mr. St. Jean for the many services he has rendered over 25 years and presented him, on behalf of the councillors and their wives - a combination TV lamp and clock as a token of appreciation.

Mrs. Agnes Montpetit, secretary, presented Mrs. St. Jean with a bouquet of roses

THANK YOU

We wish to express our sincere thanks and appreciation to relatives, neighbors and friends for all their help, their kindness, the floral tributes and cards during our recent loss of our beloved husband, father and grandfather. Special thanks for donations to Namoo Memorial Fund, The Heart Fund and Rev. Black.

THE YESKE FAMILY.

The natural gas Payment Equalization Plan.

Think of it as a savings account.

You know how a savings account works, you save up in order to cover later expenses. Well, that's just how our Payment Equalization Plan works. When you sign up with us for Payment Equalization we estimate your annual natural gas consumption and divide the cost by twelve. Then we bill you an equal amount every month. This way, you build up a reserve in the summer to take care of the higher costs of winter heating. During the year we keep track of your actual consumption and adjust any difference every twelve months.

P.E.P. has another advantage too; every month when you work out your budget you know that at least one bill will be the same every time... our bill, the one for the lowest natural gas rates in Canada. Payment Equalization, think of it as your natural gas layaway plan.

Helping you look after your natural gas budget.

SIGN UP  TODAY!
